§ i

Fares & Prices

All fares and prices quoted are subject to availability. Prices may change until full payment is received and the booking confirmed. Unless we advise otherwise, quoted prices include all applicable taxes and fees.

Collection and drop-off at any hotel in Lisbon, Sintra, or Cascais is complimentary. For any other location, please enquire.

Prices are quoted for a full day (8 hours) or a half day (4 hours). Tours may be extended by mutual agreement with the guide on the day, or with the booking manager in advance. An additional charge will apply.

§ ii

Entrance to Attractions

Admission fees to attractions are not included in our tour prices and are paid separately on the day. We recommend purchasing your tickets in advance through the official English-language website for each attraction. Your booking manager will be happy to advise on the best time slots to suit your itinerary.

§ iii

Your Departure Point

Certain areas of Lisbon have restricted vehicular access. Where our vehicle cannot reach your hotel or accommodation directly, we will suggest the nearest suitable meeting point.

§ iv

Availability

All travel products and services offered through our site are subject to availability and may be withdrawn without notice. A tour is confirmed only once full payment has been received.

Cancellation Policy

We maintain a flexible cancellation policy for your comfort. Plans change, and we are happy to move your booking to another date, subject to availability, at no extra charge.

GENERAL

No-shows are non-refundable. Tickets to events or attractions are non-refundable. Hotel reservations are non-refundable unless we have specified otherwise in writing.

Payment Methods

We accept payment by bank transfer. We hold accounts in EUR, USD, GBP, and AUD, with other currencies available on request. Full account details are provided on the accompanying Bank Payment Details sheet.

We offer accounts in several countries and currencies to minimise your fees. Where transfer fees apply, they must be covered at your end, as we need to receive the full amount stated in your quote.

Exceptionally, for last-minute bookings and with the booking manager's express consent, payment may be made in cash on the day of the tour.

Booking Fees & Taxes

All reservations include applicable taxes and VAT. As we do not accept card payments, a small booking fee is applied and itemised on your quote.

On the Day

What type of vehicle will it be?

For smaller bookings we typically use BMW Gran Tourer cars, or a similar make and model if unavailable. All vehicles are recent models, clean, and comfortable.

Do your vehicles have air conditioning?

Yes. All our vehicles are air-conditioned.

Will the guide accompany us into the attractions?

For car tours and people carriers (typically up to eight or nine people), the guide will remain with the vehicle rather than entering the attractions with you. They will brief you thoroughly beforehand, and each attraction offers its own information resources, including audio tours.

For larger groups with a dedicated driver, the guide will accompany you inside. Please liaise with your booking manager in advance to ensure the guide has tickets for the same entrance time as your group.

Is lunch included?

Unless explicitly agreed with your booking manager, meals are not included in the price. We are happy to help with restaurant recommendations and reservations.

What about tipping?

If you are happy with your tour, tipping is welcome. We suggest €50 for the guide as a gesture of appreciation for a great day out.
